

ERUS Master Class Geneva

Robotic Reconstructive Surgery in Urology and Gynaecology

Last
Call

Friday 15, Saturday 16 April 2011

Générale-Beaulieu Clinic, Geneva, Switzerland

3D
Auditorium

- Everything you need to know about robotic reconstructive surgery in male and female
- Interactive courses on surgical techniques, patient installation, step-by-step supported by video material High Definition
- Live case transmission in 3D

Faculty

Charles-Henry Rochat, MD Générale-Beaulieu Clinic, Geneva, Switzerland

Ashok Hemal, MD Wake Forest University School of Medicine, North Carolina, USA

Georges-A. de Boccard, MD Générale-Beaulieu Clinic, Geneva, Switzerland

Jacques Hubert, MD Nancy University Hospital, Vandoeuvre-les-Nancy, France

Christophe Iselin, MD Geneva University Hospital, Geneva, Switzerland

Eric Mégevand, MD Générale-Beaulieu Clinic, Geneva, Switzerland

Alex Mottrie, MD OLV Clinic, Aalst, Belgium

Thierry Piéchaud, MD Clinique Saint-Augustin, Bordeaux, France

Jean Sauvain, MD Générale-Beaulieu Clinic, Geneva, Switzerland

Arnaud Wattiez, MD Strasbourg University Hospital, Strasbourg, France

Scientific Programme

Friday 15 April

08.00 – 08.30	Welcome
08.30 – 09.00	Introduction <i>C.H. Rochat (EGRU) - A. Mottrie (ERUS-SRS) - T. Piéchaud (EAU)</i>
09.00 – 10.30	Session 1 – Bladder & ureteral surgery <i>A. Hemal – C.H. Rochat</i> Live surgery: Bladder diverticulum <i>A. Mottrie</i> Ureteral reimplantation <i>A. Hemal</i> Bladder diverticulum <i>T. Piéchaud</i> Miscellaneous <i>Faculty</i>
10.30 – 11.00	Refreshment break and visit of the exhibition
11.00 – 13.00	Session 2 – Bladder & ureteral surgery <i>J. Hubert – T. Piéchaud</i> Live surgery: Robotic ureteral tailoring and uretero-neocystostomy for megaureter <i>A. Hemal</i> Miscellaneous <i>Faculty</i>
13.00 – 14.00	Lunch break at the restaurant of the Générale-Beaulieu Clinic
14.00 – 15.30	Session 3 – Robotic renal reconstructive surgery <i>C. Iselin – A. Mottrie</i> Live surgery: Pyeloplasty <i>J. Hubert</i> Pyeloplasty <i>C. Iselin</i> Stone surgery <i>C.H. Rochat</i> Miscellaneous <i>Faculty</i>
15.30 – 16.00	Refreshment break and visit of the exhibition
16.00 – 17.30	Session 4 – Robotic post-cystectomy urinary diversion <i>T. Piéchaud – C.H. Rochat</i> Neo-bladder <i>J. Hubert – A. Mottrie</i> Miscellaneous <i>Faculty</i>
17.30 – 17.45	Lecture: Robotic upper tract surgery – A paradigm shift <i>A. Hemal</i>
17.45 – 18.00	Closing remarks
20.00	Congress dinner at the 'Cercle de la Terrasse'

Saturday 16 April

08.30 – 10.00	Session 5 – Robotic uro-gynecologic surgery <i>E. Megevand – A. Wattiez</i> Live surgery: Sacrocolpopexy <i>T. Piéchaud</i> Urogenital prolapse <i>A. Wattiez</i> Robotic repair of urinary fistulae <i>A. Hemal</i> Miscellaneous <i>Faculty</i>
10.00 – 10.30	Refreshment break and visit of the exhibition
10.30 – 11.30	Session 6 – Robotic surgery for male and female infertility <i>A. Mottrie – J. Sauvain</i> Live surgery: Vasectomy reversal <i>G.A. de Boccard</i> Tubal Reconstruction <i>G. de Candolle</i> Vasectomy reversal <i>A. Mottrie</i> Miscellaneous <i>Faculty</i>
11.30 – 11.50	Lecture: Added value of robotic surgery on endometriosis and cancer treatment <i>A. Wattiez</i>
11.50 – 12.10	Lecture: Training in robotics <i>J. Hubert</i>
13.00	Farewell lunch at the 'Société Nautique de Genève'

Registration fees

Registration made	until 4 April 2011	as of 5 April 2011 (on-site registration)
Physician	€ 300	€ 400
Resident/student, nurse, operating room manager, technician*	€150	€ 200

* You are required to provide an official proof of your status.

You can email geneva-april@masterclassroboticurology.com or fax to the ERUS Master Class organisers at + 32 3 491 8271.
